2

Go to, [www.ncpparkpass.co.uk/register](http://www.ncpparkpass.co.uk/register)

3

Add your personal details

These can be Enterprise Car Club vehicles or your personal vehicle, and can be changed as needed.

4

Fill in your vehicle details

You can register up to 4 vehicles on one account, but only single vehicle use per account permitted at any one time.

5

Enter your payment details

6

Enter your Enterprise Car Club Saver ID and activation code

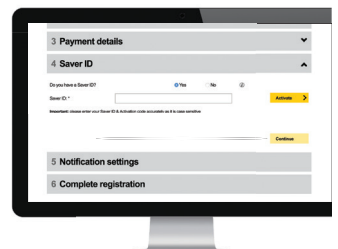

This is a new arrangement that will activate your parking discount.

7

Set which alerts will help you best manage your account

8

Tell NCP if you'd like to receive their exclusive offers

Your NCP ParkPass card will be posted to you within 6 working days of registration. But remember, until then, you will need to pay for your parking as normal.

# How to use your NCP ParkPass

## Entering the car park

- Don't press the button or take a paper ticket
- Instead, insert or scan your NCP ParkPass card
- This will raise the barrier and start your parking session

## Leaving the car park

- Don't pay or use any payment machines before you leave the car park
- On exit, insert/scan your NCP ParkPass card at the exit barrier
- This will raise the barrier, end your parking session, and process an automated payment\*

\* NCP ParkPass will calculate the cost of your parking session and apply any discount for you at that particular car park. Your chosen account type will be debited automatically with the cost of your parking session.

For full Terms and Conditions please visit [www.ncp.co.uk](http://www.ncp.co.uk)
